We are committed to providing the best dental care possible. If you have dental insurance, we will gladly help you understand and maximize your allowable benefits. In case you don't have dental insurance, payment for services is due at the time services are rendered. We accept cash, checks, credit cards, and debit cards. We can also offer financing options through CareCredit.

Please be informed there is a \$25.00 charge for all returned checks. Balances older than 30 days will be subject to additional charges.

We will gladly discuss your proposed treatment and answer any questions relating to your insurance.

You must realize, however, that:

1. Your insurance is a contract between you, your employer and the insurance company. We are not a party to that contract.
2. You are responsible for your deductible and any portion your insurance does not pay. "Usual, Customary and Reasonable" charges are determined by each individual insurance company. "UCR is determined by both geographical region and the contract between your employer and the insurance company.
3. Not all services are covered benefits in all contracts. Some insurance companies select certain services they will not cover.
4. Balances, which have not been paid within 90 days, will be sent over to a collection agency. Should this account become a collection matter, the patient or legal guardian assumes all cost of collection, including, but not limited to the court costs, interest and legal fees.

If you have questions about the above information or any uncertainty regarding insurance coverage, PLEASE don't hesitate to ask us. We are here to help.

I have truly read and understand that I am responsible for all cost of Dental Treatment.
